I was wearing my waspie with stockings over which I

had my overcoat. We walked through a local forest, stopping at various places to take photos. We did this for over an hour, my pussy getting damp! I saw two blokes watching me nearby so I thought I would give them a show.

Standing with just my

waspie and stockings, my tits, pussy and burn on view, I pulled a few poses, legs wide playing with my wet pussy, stroking my tits and playing with my hard nipples. I was so turned on I wanted a cock up me so I took David's hard cock out and I knelt down and began to lick and suck all over his cock.

From the corner of my eye I could see both men had their cocks out. I was trying to think of a way to get them to join us when all of a sudden they walked towards us. They stood either side of me so I reached out and began to slowly wank them. Their young cocks were as hard as steel. I pulled them together and sucked and

hammering in my saturated cunt, I was squealing with pleasure. I came loudly which triggered him off. He thrust hard up me and pumped spunk into me, and I felt his cock throb and twitch as he filled me with

#### SERVING MARY

The Readers Letters have spurred my wife Mary on to a number of sexual exploits, not least the most recent.

I did some consultancy work for a nearby firm. Last month they arranged a champagne buffet and invited me along. They needed more serving staff and I offered

To sit naked in a room with these two devils as they pump each other's cunts and use their lips and tongues on each other's bodies gets me wanking

A voice behind me said, "Is this a queue?" Two more men stood watching until Peter shot his come into my wife's mouth - a little trickle running down her chin. Leaving, he smiled and patted me on the back whilst the other two slipped by. Mary's dress was round her waist while she gobbled the cock in front of her and was crudely fingered by the other chap. Satisfied, they returned to the party as Mary, wiping her mouth

back of her hand, walked past me to the office. Those Directors couldn't keep their hands off her. In total she sucked and fucked eight times! We returned home to take these photos. What will she get up to next?

quite moist because I knew I would be finger-fucked in the bar. I wore a long white overcoat so I looked quite

I went to the bar and was looking forward to our usual heavy petting session, but was disappointed to find my husband chatting with another guy who he introduced as Brian. He was tall and quite good looking. When he went

had just met Brian and they had got talking. I slipped next to my husband and gave his cock a quick squeeze through his trousers. He was as hard as iron. We were in a long french kiss with Trevor's hands in my knickers when Brian came back. He told us to carry on and not to mind him but we stopped and Brian asked if I had bought him anything nice at the shops. I told him I'd bought a sexy red and black basque, a couple of white teddies and a Brian in turn. As I sucked on Brian's tongue I felt one hand massaging my moist clit while another had three fingers up my love-hole wanking me. My orgasm soaked their fingers and my knickers with love juices.

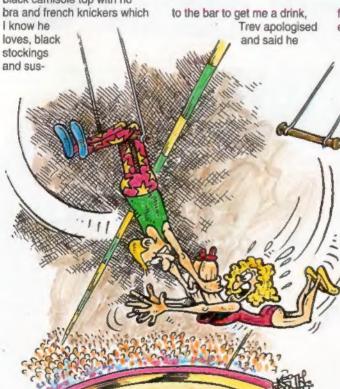

Brian suggested that we go back to his place so we

fantasising about the size of Brian's cock and having it up me, so I decided to do something about it.

When I got back to our table I slid between them. I asked Brian if he liked my leather mini skirt. Trevor said I should show Brian what else I was wearing. I hitched up my skirt showing my stocking tops and suspendered thighs. I grabbed both their hands and put them on my legs. I

Brian's place, I pushed him onto the sofa. When my husband came in, Brian had his trousers round his ankles and his cock deep in my mouth, He had a lovely one with a pair of big heavy balls that I tickled as I sucked his cock covering it in saliva. My skirt was lifted from

behind and my knickers pulled to one side. I was so wet and juicy that my husband slid in me right up to the hilt in one go. He fucked me hard and fast and then suggested that he and Brian change places. They took off my clothes, leaving just my stockings and suspenders, and then both stripped till they were entirely naked. Trevor sat back on the sofa. I kissed the head of his cock, then ran my tongue up and down his shaft before

taking him right down my throat. Brian entered me for the first time. I gripped his love muscle with my fanny lips. He felt so tight but I wasn't complaining – I enjoyed every minute of it. I felt another orgasm ripple through me as they both filled me with cock.

Brian pulled out of me and rolled me over onto the floor. Both of them knelt over me and I took hold of their cocks and wanked them with all the skill I had. Soon they both erupted shooting hot, sticky spunk all over my stomach and tits. Brian even managed to splash my chin in the process. I felt so sexy sitting on Brian's face as he parted my shaven pussy lips with his tongue and licked my swollen clit while at the same time my husband french kissed me and massaged their spunk into my tits pinching my nipples. I soon came again all over Brian's face.

We all kissed and fondled each other for a while as we had a drink to recover before

ending up in Brian's bed. We stayed the night and I was fucked by both of them in almost every position. I was sore for three days but I'm not complaining, just looking forward to the next time!

My husband took these photos of me. I have told Brian that if my letter and photos are published I will pose for him — so here's hoping! Mrs J.B., N. Ireland

#### JIM FIXES IT!

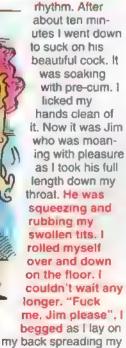

My name is Donna. I Was in the mag before when I wrote about how much I fancied my neighbour Jim and I am writing to let you know the outcome.

It was a Friday night and I'd just arrived home from work when there was a knock at the door. It was Jim and he had a huge smile on his

face and the copy of Escort in his hand. We read it together, Jim turning straight to the back page for me. I was feeling embarrassed that Jim knew now that I'd fancred him for some time and

for millions of Escort readers to see.

Jim asked if I'd pose for him and of course the mood I was in I readily agreed. Jim went next door for his camera while I put on some sexy clothes. When he came back I told him he'd have to take it easy at first and get me

me harder while clawing wildly at his back.

I was coming in a matter of a few minutes and let him know by grabbing him tighter and sucking hard on his bottom lip. He slowed the pace until he pushed hard into me and started shaking. I knew then that he was coming and grabbed hold of his hips tightly pulling him far into me. I lay there enjoying the feel of his thick, warm spunk pumping hard into me.

He took a whole film of me that afternoon in all sorts of positions and dress all over the house, I do hope you can print the ones we've chosen. N.C., Tyne & Wear

Sherry (34-26-36) and Nancy (36-25-37) both live in Kent and have been friends since school. We used to stay round each other's houses all the time. t was my birthday and my wife was away for three days. She said we would celebrate on her return. I left for work and came home early and as I walked in the front door, Sharon, our cleaner, was on her hands and knees doing some housework.

Her skirt had ridden up to reveal her stocking tops. I was horny as hell standing there watching her. She got up and came over to me and

sexily whispered in my ear. "Come with me". She lead me upstairs to the spare bedroom.

She said she had seen some photos of my wife and I in a drawer and had been waiting to get me on my own for a while. She hoped that I was not angry with her for being nosey. I told her that she'd been

naughty and would have to be punished "How?" she said. I told her that she would have to give me a blow-job. Sharon put her hand inside my trousers and stroked my hard-on. I undid her blouse to reveal two small but shapely tits She took my trousers off and started to wank my erect prick

"Actions speak loader them words"

Video 1: Shelly - Featuring a 26 year old single mum, 5'3" tall, short blonde hair big tits, nice pussy, name of Shelly. She answered an advertisement written on the wall of the ladles toilet cubicle in a railway station. The handwritten note offered accommodation in return for companionship and light duties. Shelly couldn't believe her luck, she rang the number and immediately went round, took the room but did not realise what was wanted from her side of the bargain (once a week sex with the landlord). In this video we watch as Shelly makes the ultimate sacrifice, she can hardly bring herself to do it but unless she forks him she's out. The landlord says "pull up your dress, drop your drawers and do it with me!" She sits on his crotch and he tries to manoeuvre himself up her,

but she's too dry. He pulls her towards his mouth and licks her , using plenty of spit to get her wet. She tries again and he's in first time, they do it, she enjoys it and comes back for more it goes on from there. The Video's yours for only £18.95.

Video 2: Claudia the Student Slapper - A shy reserved girl from a strict West Indian chape) background, Claudia throws off the shackles of her upbringing when she gets to University. Every time she goes out for a drink with the rest of her crowd she's anybody's. Well, it wasn't long before her easy access through drink led her to our doorstep and the world of hard core videos.

That's why we had to give her a couple of stiff ones before we started making this one. Now, she was very willing and cooperative in every way but I've never seen a girl used like this before. She just laid there and let it happen. This certainly seemed to turn on the male model, who used her in every way, even her mouth and then let it splatter all over her

You can have Claudia on Video for only £18.95

Video 3: Shunta - If you're turned on by Paldstani women this is the video for you - real Asian sex. Shunta is married with four children (witness the stretch marks for yourself). It could be why she's able to take the really big guys without even wincing. For hard cash she will do whatever someone asks, especially when it comes to sex - that's how she gets her kicks. Yes, this Pakistani lady s\*\*ks and f\*\*ks allowing up to 3 men to make full use of her body and loving it. She insists on them wearing a condom, but you'll soon see them being whipped off along with her Sari and they spray all over her which she promptly rubs into her skin. On this video, you can witness Shunta being given a good seeing to by her 'new white men friends', listen to her pant and groan as she is serviced by three men at a time, one right inside her, one orally and one receiving manual relief. This is a must for all Pakistani women fanciers, more power to Shunta's elbow (and other parts) Shunta we love you...!

So can you when you get the Shunta Video for just £18.95.

Video 4: Maureen the Nurse - Yes, Maureen's a nurse, and we all know about Nurses. Like the rest of her profession, she is woefully underpaid and ... you guessed it, she supplements her wages with bits of paid video nookie. She has a terrific pair of boobs and she made a great fork video - if you're into nurses, you're in for a treat. Just seeing her move her body is a wonderful experience, never mind all the other things she does with it. She gives terrific head on 8" of Robin's meat and 4" of his girth. If you like seeing oversized members dipping into young women and their eager mouths, this is the video you've been looking for. Seeing this lovely, bubbly little nurse get it from a total stranger is such a turn on. She is done in every conceivable position and the Stud goes into a complete frenzy as he gropes for her every orifice. It's all true, Nurses like a bit of fun and best of all, they're very clean! Judge for yourself, when you see this video. Maureen the Nurse can be all yours on Video at just £18.95.

He described himself as tal. dark and handsome and a good 9" when erect which not only made my mouth water but my fanny juices flow as well. I sent him a pair of my wet knickers which he said he loved the smell of, and that he had worn them for work one day and had to relieve himself in the loo otherwise he would have burst his flies! James arranged some time off work to arrive at my house the following Friday night and stay the weekend. I was nervous about meeting

James for the first time but I needn't have worned as he had a brilliant personality which made me feel at ease straight away. I poured a brandy each, put on a blue movie and then settled myself next to him on the settee. My short skirt had ndden up and James could see my stocking tops and just a touch of bare flesh. From the bulge at the front of his trousers I could tell that he liked what he saw. I was getting very turned on and kept crossing and uncrossing my legs making my skirt go higher. The more I did this the bigger his bulge got and the more my fanny tingled. I reached over and unzipped his fly and took his cock in my mouth. I opened my legs to reveal my knickeriess fanny. #### 23-year-old Emme from York says her wickedest fantasy is to be sexually anointed by at least six randy blokes I call it Cock Heaven

imagine I'm naked on a huge bed with six or seven big blokes, all beautifully muscled with brown, olled bodies and big. thick, meaty pricks, all stiff and throbbing and desperate to come

I start with a gorgeous, pussypounding fuck from the best-looking guy, who naturally happens to be the best-endowed!

There is very little foreplay; he just licks and sucks my boobs. But I don't care I'm so wet and eager to have him I'm pumping his tight, pink foreskin with both hands as he kisses me, pushing his broad, helmetshaped knob down towards my aching pussy.

'He rolls me onto my back with just a flick of his arm, slides between my thighs and plunges straight into me Even though he drives the breath out of me with his sheer size, we fit

I'm getting used to them, short, sharp, stabs that grind against my clitty and have me squealing. And just as I feel my orgasm about to start, the teasing

kind of upside-down doggy fuck, and his cock is sticking up into my pussy at a very strange angle, but touching me in all sorts of interesting new ways. I'm like a rag doll by now, so wrung out and sexed up I swear it's only his massively stiff prick which is holding me upright.

Then he sits up behind me, reaches round and strokes my boobs, while at the same time he sort of stirs his prick in my pussy. It's a lovely sensation, but after the pounding I've had

being enough to bring me off

Then I realise one of the other guys is kneeling in front of me, grinning all over his face. He's holding out his hard-on, it's not as long as the first guy's, but it's even fatter, especially the knob-end which is mushroom-

see he's holding the tip of his cock against the top of my pussy at the opposite end from where the first guy's shaft is plugging my hole, really stretching my lips apart

'As I watch, the second guy starts to wank my clit, in slow, easy circles at first, then from side to side then up and down, squashing my little soft tingly button, smearing my juice into my pussy hair. And, as he does that, my first guy begins to stir his prick inside me again, so to my astonishment I find my clit being wanked by cocks from inside and out!

'Then I realise the others are pushing round me, hands pumping hard at their stiff, straining pricks. They all want a part of me, they all want to fuck me, too, and I want to fuck all of them!

'Huge, throbbing cocks begin to slide over my boobs, pushing against my cheeks and hair. I reach out and grab a fat shaft in each hand, wanking each one fiercely. Then I duck my head and trap one arrow-shaped knob between my lips, lapping and licking its bulging knob.

The owner straddles me, which means I can pull his cock right into my mouth. As I suck hard, he groans and explodes into the back of my throat I barely have time to moan and swallow, when suddenly I'm coming as cock after cock gushes over me, spraying thick, sticky streams across my boobs, my face, my hair, until, on my last spasm, my first guy gasps and jerks and empties himself inside me.

'Then I iay there, luxunating in the afterglow as strong hands gently massage it into my glowing flesh!'

# was a strippagram who flashed his cock. 'My hubby would 'I him it anything else. But in my dreams...'

he woman on the bed is blonde, short-haired, stim, her shapely thighs spread wide as the young man pumps between them. As he leans forward to vary the angle of his cock thrusts, her heavy, stiff-nippled breasts smack against her chest.

'Oh my god,' she grunts, eyes clamped shut in concentration. 'Oh fuck ...'

'Enjoying your present, darling?'
Still ferking under the steady
pounding, the blonde opens her eyes,

gazing dazedly across the dimly lit bedroom until they focus on the figure in the doorway

'Oh,' she breathes. 'It's wonderful —' She jerks suddenly. 'That's so deep!' Then sucks in breath 'He's wonderful!' Her hands rise, caressing the young man's thighs and buttocks, forcing him to pause in his fucking

rhythm. 'He's got brilhant muscles. She shares a swift, flushed smile with him, then her fingers slide down into his crotch, sifting his dark mat of pubic hair where it mingles with her light blonde fuzz. 'And a huge cock - you won't believe the size of it. Come and look...

The figure in the doorway approaches. He's a good 15

years older than the woman, greying, his stocky frame draped with a dress-

'Pull back,' the blonde urges, touching the young man's broad chest. 'Don't come right out!'

She lifts her head to stare down where the young man's shaft slides out of her, red, glistening and thick, its bulb still embedded between the bloated folds of her sex

'See?' the blonde gasps. Her husband grunts as her hand slips between the folds of his dressing gown and into his crotch. 'You Peeping Tom!' the blonde chuckles suddenly. 'You're stif!'

'I just wondered how it was going.'
The older man glances at the

woman's companion. The younger man shrugs. He's about 28, dark, extremely goodlooking

and very talented.' He catches the blonde's teasing look. 'Honestly. No offence, Mr Brown, but I happen to have a very large penis — that's mainty what I offer, after all! — and Jane's had no problem taking me.' Raising himself higher, he glances down. 'Look at the way her pussy's gripping my shaft. That grip is tight all the way up.' He grunts as the woman squeezes him, chuckling softly. 'Her muscle control is superb, too.'

'Pleasurable?' the older man asks.

The young man laughs. 'Well, with some ladies I really have to lie back and think of England! But with Jane, let's just say I need all my self-control. You must have some wonderful sex together.'

The blonde tugs on the young man's engorged shaft. 'Come back inside I'm feeling lonely — '

He leans forward and begins slowly to hump again, 'Do you have any preferences regarding ejaculation?' he asks the older man. 'Some husbands prefer to see me ejaculate over the wife's breasts or her pubic hair, Many women enjoy that, too.

The blonde beneath him presses his taut buttocks, urging him to accelerate his strokes

The older man swallows. 'I think that's Jane's choice — '

The blonde twists her head quickly toward him. 'Michael's promised he's going to fill me up with spunk and I can't miss that.' The blonde's hand suddenly grasps him. 'Don't you want to see me come? So you can see what a wonderful, wonderful fuck you've given me?' Har hand flicks

open the dressing gown. His erection bounces into view, shorter and slimmer than the young man's, but, if anything, harder.

Her fingers curl round the shaft; gently she begins to pump his fore-skin. She grins. 'Can't I have both at once? That's not being greedy on my birthday, is it? Let me suck you while Michael shows me what he can do with that big hard cock..."

Her chuckle is cut short as the young man sinks balls-deep, grinding his pelvis against the blonde's clit. She gasps, and gasps again as the young man snaps straight into a hard, deep, pounding rhythm that bounces her against the mattress and sets her breasts slapping against her chest.

'Oh my god — oh yes —!' Her hands scrabble at the sheet; her back arches; breath bursts from her, 'It's

happening — quick — quick!"

She strains her head towards her husband. As he moves forward, she clutches his swollen penis, opens her mouth and plunges her lips over his bulb

Almost at once a low moan rises from deep in her throat. Her body tenses and the young man hesitates only a second, then his mouth gapes, he grunts with the force of his first spurt. The blonde jerks with him, strains then shudders fiercely, squealing as her husband squirts a thick jet of sperm into her open mouth and across her face, neck and breasts, until all three slump, breathless.

Thank you,' the blonde purts, pressing her lips to her husband's deflating penis. That was the most beautiful birthday present I ever had.' Then her eyes catch his and sparkle 'Am I allowed another one...?'

and when I opened them again she was squatting between my feet with a pink-tipped breast halfway out of her torn blouse and bra, looking as if she'd been dragged through a hedge backwards. That's when it hit me that she might expect me to go down on her, but she didn't. She wanted me to do something else that I'd never done before, but I've had it done to me, so

shape too, and I looked pretty damn raunchy as I strutted to and fro in my high-heels with my tits jutting out. I knew how I looked because there seemed to be mirrors everywhere and I had an alt round view of myself—and so did Shirley, who'd tumed her head to one side so she could watch me posing. It occured to me that I really ought to be cracking a whip, but I decided not to mention it just in case she had one!

I agree a that sine of Leon very naughty and she thoroughly deserved it. She asked me to give her a couple of minutes to get ready, and when I Joined her in the bedroom I found her lying face down on the bed, squirming and panting and wiggling her burn in anticipation.

"She wasn't quite naked, because

the couldn't help glancing between her legs as I made for the dressing table on an impulse prompted by the idea of the whip, and I clearly saw moisture glinting in the swollen and inflamed folds of her shaven pussy. I came back with the hairbrush and sat down beside her and calmly started brushing my hair, staring at her

stroke between the cheeks and all the way down to her pussy with it's bristles. She made a choking noise and arched her entire body, and when I did again she shuddered so violently that I thought she was having an orgasm. The next time she raised her burn for a slap I pushed the hairbrush underneath her, and she pushed her bare mound against it and began to hump on it.

I dragged a small armchair over to the bed and settled into it. Since she seemed to like the feel of my shoes on her skin, I swung one leg up and rested it on her back before I returned to spanking her, and she

she was wearing leather bracelets and anklets with little silver clips on them – and there were rings to match them on cords at each corner of the bed.

twitching pussy and teasing her with the thought of what else I might dowith the hairbrush, and she tensed her muscles in preparation. I gave her a gentle slap with my hand, and she whimpered and shoved her burn out for more.

If put slightly more force into the next slap, and the one after that made her squeal. She groaned at me to do it harder, and her quivering rump turned a deeper pink as I got

the hang of it and began to give her at proper spanking. I tried the back of the hairbrush, but I wasn't too keen on the sound it made, and I went back to using my hand. All the same, it seemed like a waste of a good idea, and I experimented by giving her a

started getting a bit hysterical. When I realised what she was babbling, I hooked my other leg over the arm of the chair and slid my bottom ferward no she could see my pussy. I seked her if she wanted me to play with myself, and when she nodded; I buried my fingers in my curit and began to frig myself with one hand while I spanked her with the other

She sobbed something about a drawer, and I stopped wanking for a moment and reached out as open the one in the bedeide table. Lying alongside a pair of handculis and an ordi-nary while vibrator there was a rubber clicke, and since Shirley was in no position to stake a claim to it. pushed it up my pussy, and I wan able to divide my attention between shafting myself and giving Shirley a step. I think sha'd expected me to use it on her, but sheld made me the

She asked me to stay the night, but I needed some sloap, and I som think I'd have got very much if I'd have shared a bed with her. Sesides, I might have been tempted to take a much closer took at that sheven that of hers. Maybe next-time.

#### AUDIENCE PARTICIPATION

Being regular readers of Escort, Christina and I want to tell you about our experience on New Year's Eve. As you can see from her photos, she's a very sexy lady. Even though it

pubs were packed with lots of people in fancy dress and Christina wasn't the only one dressed to kill, although she probably was the one most turned-on for as we sat down I had got her to sit on my hand and I was probing her pussy with my middle finger. She was very wet and squirming about on my hand and she whispered to me to follow her. She led me to the ladies' toilet where she sat down and pulled my zip down. Out sprang my erect cock and straight between her bright red lips into her mouth.

On New Year's Eve the

After several minutes

was cold and wet she went out without her panties on and nothing under her jacket. I wasn't that bothered about going out at all when I saw her dressed like this, but she insisted!

kept pulling my cock right out of her pussy before slamming it back in, to put on a show for the two girls. Eventually I couldn't hold back any longer, but to give my audience a real treat I pulled my cock out of Chris and shot my load over her arse, to a round of applause.

By the time we cleaned ourselves up the toilets were empty. We went back to the bar to enjoy the rest of our night out.

I have enclosed some photos taken before we went out and some taken the day after, as we spent most of the following day in bed fucking and discussing where we can have our next adventure, as we both agreed that the previous night had been a real turn on! R., Yorkshire

# EUROPE'S MOST "BIZARR VIDEO COLLECTION

# Buy before they're banned! Hardest specialist videos in the UK

THIS collection of "Specialist Subject" videos, which have never been available on general release in this country before, are now brought to you by "Video Confidential," Europe's leading specialists in fetish sex, in a quick and secure service.

Before today, these videos have only been available in the twilight world of the back streets of Soho. "Video Confidential" believe this to be wrong, and now offer them to you at A QUARTER OF SOHO PRICES and are proud to open up to every reader the exciting, sensual world of Specialist Sex.

We cannot predict the reaction from the authorities to this open approach to the previously unexplored and unavailable world of fetish sex, so we urge you to make your purchase today in case this ad is now allowed to appear again.

### **BUY NOW — BEFORE THEY ARE BANNE**

#### Foot Fetish £24.95

FOOT FETISH, female domination and the world of leather, rubber and latex are all here in the strongest foot fetish video available. Boots, court shoes, stilettos, plimsolls, socks, flip-flops and even toepainting and chiropody! Again there is plenty of hard core action to keep you interested, plus an incredible foot masturbation scene. A must for every serious submissive man and foot fancier.

#### Granny Sex £24.95

HARD, explicit and graphic. Women over 40, and 50 and even over 60! Some are fat, some are thin, all are experienced and dirty. The sex is incredible, full sex, A and O with plenty of splash - loads of old fashioned underwear (including corsets and directoire knickers). These are the horniest grannies in Europe and they're out to prove it! They've had years of sexual experience.

#### Pregnant Love \$29.95

A SPECIALIST subject that attacts many thousands in the UK. Women in the full flush of pregnancy are seen by many as being at their most beautiful, sensual and sexual. This video explicitly explores many "Milking Maids" in wide ranging sexual acts in intimate explicit close-up and slow motion. Not just a horny experience but also an unusual, beautiful and moving one.

#### Female Shaving £24.95

A VERY popular fetish is the bald beaver. and yet this is the only video we've found with true close-up and variant clipping and shaving action. The girls do it to themselves, to each other and also the blokes get a go. Just for good measure it ends up with a truly explicit close-up shaven shafting extravaganza. Truly magnificent hairless muffs as smooth and hairless as a billiard ball.

#### Love Farm £29.95

THIS video has changed hands for over £150 in Soho. We cannot describe its hard action contents fully here, but we believe the title says it all. This video is the only one of its type available in Britain today that we know of. If this subject is your thing, you will never see a harder, more explicit example of this exciting sexual topic - only for the most unshockable viewer. It's unbeatable.

#### Lady's Doctor £24.95

AGAIN we can't go into much detail in this magazine, but we all know what we're talking about here. We have sold this very specialist film for £200 in Soho and Amsterdam. Do not buy this video unless you know just what to expect from the ultimate adult, games of doctors and nurses. This video was intended to shock and it does! It won't be around for long - buy it today!
